Some of our clients

What some of our clients say

European Patent Organization

We were very pleased with the professionalism, know-how, flexibility, the excellent team work, the pro-active attitude as well as the friendly and professional approach of the staff of Albania Experience. It is also worth mentioning that the staff of the agency and were able to meet all our ad hoc and last minute requests, were taking initiatives and showed the ability to listen to our needs and bring them to reality.

UN Women Albania

Albania Experience maintains a very high standard, which ensures the success of any event. We are very happy to confirm that they are our main partner for event organizing and will collaborate with them also in the future as very satisfied customers. For this reason, we do not hesitate to highly recommend the wonderful AE team for the important event you are planning to organize in the near future.

Constitutional Court Albania

We have initially selected Albania Experience years ago due to their expertise and great reputation as an event management agency and they have never disappointed us. On the contrary, they continuously strive to excel in what they do and continue to surprise us to this day with their work and dedication. As our events are of high importance, AE staff is the only one we can trust to not only address our major concerns but to go the extra mile. In this regard, Albania Experience represents a rare find in Albania.
